## BALINESE WELLNESS IN HAMBURG

Our newest Balinese-inspired day spa with integrated hotel in Hamburg is designed to resemble a Balinese village.

Nestled in a vast, pastoral landscape with old trees and right next door to Golf Gut Glinde golfclub, a magical place awaits to whisk you away to a faraway world.

More than 36,000 square metres of relaxation awaits you: find your bliss in one of our many saunas with soothing fragancing ceremonies, kick back in a heated waterbed in one of the numerous relaxation rooms, cool down in a pool or enjoy a massage in one of the harmoniously designed treatment rooms.

At Vabali Spa your relaxation is our highest priority. Our unique and Balinese inspired ambience ensure a deeply relaxed holiday feeling. The various wooden artifacts, the warmth and the tranquility of the spa have a calming effect.

### **Relaxation Rooms**

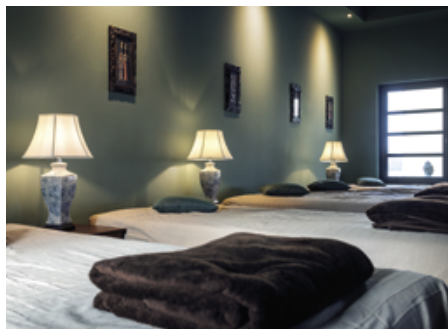

Rest in one of our numerous relaxation rooms, each equipped with heated waterbeds and a unique colour palette.

### **Pools**

The center of the textile-free sauna area is the indoor pool. The built-in tiles give off a deep turquoise tone in the water. Warm tones, wood, pillars, Buddha figures, and Frangipani flowers complete the picture.

### **Lounges**

In our lounges you can relax and enjoy our culinary selection.
